

Deep River Junior Ancient Fife and Drum Corps

The Deep River Juniors is an organisation that perpetuates the history and performance of ancient martial music from the Revolutionary War, Civil War, War of 1812 and 19th century patriotic tunes. Marching and military bearing is also taught.

The young performers earn all the funds necessary for uniforms, musical instruments and instruction through paid jobs and performances.

Uniforms are handmade and are designed based on the style worn during the Revolutionary War. Fifes and drums are also handmade instruments.

This past season the kids performed throughout Connecticut, New York, Maine, Vermont and Pennsylvania.

Please consider helping our young musicians continue this wonderful 67 year tradition. Due to current conditions, many Junior Corps have folded, we are fighting hard to continue the spirit.
