

Madison Cultural Arts for Essex Savings Bank
The Annual 4th of July Concert on the Green in Madison

The annual **4th of July Concert on the Green in Madison** will be held on Saturday, July 6, 2024. The concert has been a part of Madison's Independence Day festivities for over 40 years and is organized by the nonprofit organization, Madison Cultural Arts. Madison Cultural Arts, an entirely volunteer organization, must raise approximately \$50,000 through sponsorships, donations, and grants to guarantee the success of the concert. To keep this important Madison tradition alive, the concert requires the support of our local businesses and individuals.

The free concert hosts about 4000 attendees. The music is provided by the Wallingford Symphony Orchestra (WSO), with Madison Lyric Stage as opening act.

Please help us continue The 4th of July Concert on the Green as part of the wonderful patriotic celebration and arts programming provided to our community.
