

Westbrook Project Graduation, Inc.

Westbrook Project Graduation is a group of volunteers whose primary goal is to provide a safe, drug and alcohol free celebration for all of Westbrook High School's graduating class regardless of financial ability to contribute.

A similar initiative is undertaken in countless towns and cities across America to keep graduating seniors safe by offering a fun alternative to underage drinking and driving.

Westbrook Project Graduation is independent of the Westbrook Board of Education and the Westbrook school system and operates without one penny of the taxpayer dollars. Volunteers work tirelessly throughout the school year to raise the considerable funds necessary to provide a safe graduation celebration and to support other graduation expenses such as the baccalaureate ceremony.

Westbrook Project Graduation, with the help of parents and students, sponsors many annual events to raise money such as:

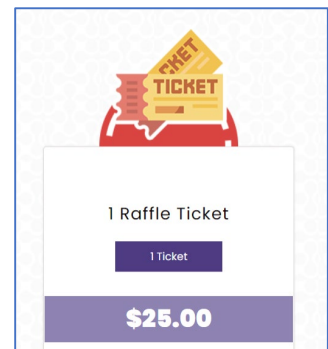

- Breakfast with Santa
- Flamingo Flocking
- Election Day Bake Sale
- Online Auction
- Host to the Middlesex Symphony Orchestra at Christmas time
- Westbrook Knights Raffle
