ACT II Thrift Shop is celebrating its 20<sup>th</sup> year of being a non-profit organization in Madison whose primary mission is to support youth in need. We donate our net proceeds to many deserving charities, including a significant portion to the Madison A Better Chance (ABC) Program. We embrace the growing importance to recycle and work diligently to find new homes for all suitable merchandise.

We are grateful for our volunteer staff who are fully committed to our values of social responsibility and teamwork.
