

Lyme Old Lyme Food Share Garden, Inc.

Growing. Caring. Sharing.

The **LYME OLD LYME FOOD SHARE GARDEN** began in 2021. The fully volunteer nonprofit organization maintains a garden at Town Woods Park in Old Lyme. All produce is donated to the Shoreline Soup Kitchens & Pantries and the Gemma E. Moran/United Way Food Center.

In its inaugural 2022 growing season, the LOLFSG donated more than a ton of fresh produce! The goal is to double production in 2023. Please help us meet our goal!
