## Early Intervention Services

SARAH Inc. KIDSTEPS is a state-approved Early Intervention Program serving infants and toddlers from birth to three years. KIDSTEPS is one of the largest providers in Connecticut, serving 50 towns throughout the state.

Services are provided exclusively in natural environments such as a family's home, child care setting, and/or community locations. KIDSTEPS staff are highly trained therapists.

Our KIDSTEPS program focuses on strengthening the capacity of Connecticut's families to meet the developmental and health-related needs of their infants and toddlers with differing abilities, including developmental delays and autism.

## Employment Services

SARAH Inc. Employment Services consists of five programs:

- Transitional Services
- Individualized Day Vocational (IDV)
- Individualized Supported Employment (ISE)
- Group Supported Employment (GSE)
- Community Supports

Each program utilizes a customized approach to provide SARAH Inc. supported workers with the best services to fit their individual needs. Employment Services are offered in the community and focus on assisting individuals with securing competitive employment.

## Enrichment Services

SARAH Inc. Enrichment Services is made up of three Day Programs designed to best fit an individual's needs. These programs offer life-enriching opportunities and community inclusion activities. Some of the daily activities the adults participate in include:

- Health and Wellness Classes
- In-house cooking and art activities
- Equestrian Classes

We fully incorporate the goals and passions of the adults in our program. SARAH Inc. encourages self-advocacy and personal growth. Additionally, we offer a variety of opportunities for these individuals to engage in their local communities.
